

## A DEMOCRATIC SWEEP

Tuesday's Victory The Most Decisive in The History of the Republic

### TAFT, TEDDY AND TARIFF

Too Much for Armageddon's Hosts. Third Cup of Coffee Spilled.

The returns from Tuesday's election, so far as are obtainable, point to a most decisive victory for the Democratic party in every state in the union with a possible exception of Idaho, Kansas, Michigan, New Hampshire, Oregon, Pennsylvania, Vermont and Wyoming.

New York gives Wilson for President, and Sulzer for Governor, over 200,000 plurality. Teddy, is a poor third in his home state.

Wilson carries Missouri by approximately 100,000.

Major and Painter run pretty closely to the Presidential candidate.

Democratic ticket in Lafayette elected by the largest majorities in years.

The Democratic County Committee with B. C. Drummond, chairman, and H. C. Chiles, secretary, are to be congratulated on carrying on a most effective and intelligent campaign. Not a thing was left undone for the success of the ticket, nor was there a sacrifice too great for these two gentlemen to make that their work be carried to a successful issue.

#### The Intelligence Clubbing Offer.

The Intelligence has made arrangements whereby its subscribers can get the complete official reports of the markets every day at a special reduced rate.

Every farmer needs a daily report of the markets on cattle, hogs, sheep, grain, hay, eggs, poultry and everything raised on the farm. To go it blind is to sell for less than your stuff is worth. That is simply giving money away. The Daily Drivers Telegram of Kansas City is not only the best market report paper published, but it is a complete modern daily newspaper that publishes the telegraphic news of the world the day it happens.

When you get both the Intelligence and the Daily Drivers Telegram you get all the news, home, national, foreign and the markets. The price of the Telegram every day in the year, except Sunday, is \$4.00. By our special arrangements with the publishers, you can get both the Intelligence and the Daily Drivers Telegram one full year for \$4.00. If you are already paid up for either, your time will be extended one year. Send in your check or cash on this special rate and get 5 per cent to 20 per cent more on everything you sell.

#### Miss Mae Jennings.

Miss Jennings has an advantage and that is a beautiful voice; a vocal organ so rich, vibrant and sympathetic one seldom hears in a singer of her age; indeed many famous singers would be glad to possess it. Even more remarkable is its evenness of quality and ease of movement throughout its range.

St. Louis, Nov. 7.—Returns from 1,608 out of 3,300 precincts in Missouri, gave Wilson 168,054, Taft 110,396, Roosevelt 62,015. For governor,

ELLIOTT W. MAJOR.

Returns Indicate His Election as Governor of Missouri.

Major, Democrat, 157,884; McKinley, Republican, 89,234; Norton, Progressive, 18,180.

The vote in St. Louis, complete, was as follows:  
Wilson, 58,961; Taft, 45,508; Roosevelt, 24,610. Major, 60,307; McKinley, 45,033; Norton, 20,844.

#### The Missouri Result.

St. Louis, Nov. 7.—It is simply a case of majorities in Missouri. More complete returns received bore out the indications of a clean sweep of the state by the Democratic national and state tickets, and in an unprecedented number of counties.

The majorities of the Democratic candidates will receive over the Republicans will be approximately sixty-five thousand, although more complete returns were adding to the Democratic totals and the Republican losses. Elliot W. Major, governor-elect, has run ahead of his ticket generally over the state. In St. Louis alone he has polled more than two thousand votes more than the other Democratic candidates outside Wilson. Governor Wilson is the runner-up with Major.

The expected scathing on account of bitterness over the defeat of Champ Clark for the presidential nomination did not materialize. In Clark's own district, the Ninth, Wilson is running up or ahead of the general Democratic ticket.

#### Single Tax Beaten.

More complete returns received indicate a most overwhelming defeat to the single tax amendment. The majorities in the country counties against it range from five hundred to four thousand, nearly the total vote cast.

St. Louis cast the heaviest vote upon the single tax amendment. The vote in St. Louis stood 50,599 yes, 57,388 no.

All the other constitutional amendments were defeated in St. Louis. The mill tax for the university came the nearest to a majority. It lacked only 388 votes of carrying the city.

Returns from over the state indicate the defeat of all the nine amendments voted upon.

#### Have Majority of About 80.

Jefferson City, Nov. 7.—Cornelius Roach, secretary of state, estimated that the Democrats will control the Missouri legislature on joint ballot by a majority of 75 to 80.

The official vote, however, will tell this story, as well as the vote for the national and state candidates and this cannot be opened and officially declared until ten days following the election.

## TOTAL VOTE OF SOCIALISM INCREASED

But the Party Loses Its Only Congressman Through the Defeat of Victor Berger—A Setback at Schenectady.

New York, Nov. 7.—A general gain in the Socialist party vote polled by Eugene Debs, presidential candidate, was accompanied by setback to the local Socialist organization in two of their strongholds. In Wisconsin, Representative Victor L. Berger, the only Socialist in the House of Representatives, was defeated, with a number of other office holders; and in Schenectady, N. Y., where the party had elected almost a complete local ticket at the last election, practically all of its candidates were defeated.

#### Victor Berger Defeated.

Milwaukee, Nov. 7.—Socialism suffered a heavy blow in Milwaukee. Victor L. Berger, the first Socialist ever elected to Congress, was defeated by more than 2,000 by W. S. Stafford, Fusion-Democratic candidate. Berger's district was the Fifth, including a part of Milwaukee city and county.

W. C. Zabel, Socialist district attorney, was defeated by Edward Yockey, Republican.

#### Defeat for Socialists.

Schenectady, N. Y., Nov. 7.—The Socialists' strength in Schenectady County, which was established here last year, when Mayor George R. Lunn and a majority of the aldermen and supervisors were elected, was broken at the polls, when not a Socialist candidate carried even the city. The Socialists ran second to the Democrats and in this country districts they ran third with the Democrats first and the Republicans second. Debs received 3,456 votes in the county and Russell, for governor, 4,267. Mayor Lunn, candidate for Congress, received 4,894 votes in the city, or 1,641 less than when he ran for mayor a year ago. Assemblyman Merrill, the only Socialist in the New York legislature, was beaten by more than one thousand votes by Arthur P. S. Aire, Democrat.

## THE SCOURGE OF HOG CHOLERA

Cost the hog raisers millions of dollars last year and nothing short of vaccination seemed to offer the slightest promise of a cure.

Prevention, however, is the real logical solution of the question. Dr. Hess, [M. D., D. V. S.] has always maintained that by giving Dr. Hess Stock Tonic to tone up and strengthen every organ in the system, to regulate the bowels, liver and kidneys, expel worms; and also thoroughly disinfect the premises, sleeping quarters and runs with Dr. Hess Dip and Disinfectant, would prevent an outbreak of this disease.

### READ WHAT ONE OF THE BIG HOG RAISERS OF THE COUNTRY SAYS:-

"During 1911 our country was visited by one of the worst hog plagues ever known. We fed Dr. Hess Stock Tonic, and only lost two head out of a herd of two hundred and ten."—Alex. Nevins, Modesta, Ill.

### Also note what bulletin No. 182 of the Kansas State College says about preventing Hog Cholera:-

"When we recall the conditions which favor the disease and the manner in which its infection takes place, it will be seen that feeding and caring of hogs has much to do with the prevention of the Cholera. Premises should be cleaned and disinfected regularly. The hogs themselves should be dipped every few weeks. Maintaining these conditions helps to keep up the vitality of the hog and in this way troubles of all kinds are ward off. To aid digestion and circulation and to prevent worms, this bulletin recommends a formula of Wood Charcoal, Sulphur, Salt, Sodium Bicarbonate, Sodium Sulphate, Sodium Hyposulphate and Black Antimony."

This formula, given in tablespoonful doses would undoubtedly be beneficial but would cost the hog raiser about 10c per pound. Now compare this with the formula for Dr. Hess Stock Tonic which is vastly superior and has stood the test of 20 years.

NUX VOMICA, Digestive and Nerve Tonic.  
QUASSIA, Digestive and General Tonic. Expels Worms.  
SULPHATE OF IRON, Blood Builder and Expels Worms.  
SULPHATE OF SODA, Laxative and acts upon the Liver.  
COMMON SALT, Appetizer. Expels Worms.  
EPSOM SALTS, Laxative.  
NITRATE OF POTASH, Acts upon the Kidneys.  
CHARCOAL, Prevents Noxious Gases.  
FENUGREEK, Tonic and Aromatic.

This preparation is compounded by Dr. Hess, (M. D., D. V. S.) and sold to you on a written guarantee and only costs 3c per month for the average hog. The definitions of the ingredients are taken from the United States Dispensatory and noted medical authorities.

Feed your hogs

### Dr. Hess Stock Tonic

to prevent disease and expel worms. Sprinkle the runs and sleeping quarters with a solution of

### Dr. Hess Dip & Disinfectant

one of the foremost coal tar cresote disinfectants known. Also dip your hogs with this solution when the weather will permit, and you will have no loss from disease.
